

BUCKINGHAM PALACE

6th October 2017

Dear Mrs. Bottle,

The Queen wishes me to write and thank you for your letter.

Her Majesty was interested to hear about the Melsonby Parish Village Show which has been held for over seventy years, and it was kind of you to enclose a programme detailing the exhibits and some delightful photographs taken at this year's event.

The Queen was very pleased to receive a sample of the splendid handmade cards made to congratulate Her Majesty on the occasion of the sixty-fifth anniversary of her Accession to the Throne, and The Queen greatly appreciated the great care each individual has taken in designing and creating their special greeting.

Her Majesty hopes all of those attending the show had a very happy day on 19th August, and I am to thank you again for your letter and for the message you have sent on behalf of the residents of Melsonby.

Yours sincerely,

Susan Hussey

Lady-in-Waiting
